Dear Potential BOLT T Sponsor,

On behalf of the ...

- Ontario eLearning Consortium (OeLC), www.oelc.ca
- Ontario Catholic eLearning Consortium (OCeLC), www.ocelc.org
- Consortium d'apprentissage virtuel de langue française de l'Ontario (CAVLFO), www.apprentissageenligne.org
- Canadian eLearning Network (CANeLearn), <http://canelearn.net/>

... I would like to invite you to become an integral part of our bi-annual **BOLT T Bringing Online Teachers Together Conference**.

BOLT T (www.boltt.ca) is a bi-annual fast-paced conference brought to you by the OeLC in partnership with the OCeLC, CAVLFO, and CANeLearn. The conference is hosted in Toronto, Ontario, Canada each Fall and Ottawa, Ontario, Canada each Spring. Both conferences are attended by professionals directly involved in the development, organization, administration, and delivery of eLearning programming for Ontario secondary school students.

Specifically, **BOLT T** focuses on the needs of...

- Elementary/Intermediate/Secondary/Adult eTeachers/Hybrid Teachers/Blended Learning Teachers;
- eRegistrars/DeLCs/eLCs/TeLT-Cs; and
- Technology/Instructional Consultants/Coaches

...bringing them together to learn, share, and network around best practice. Sessions include:

- innovative practices and approaches in online course development, delivery, assessment, communication, and student tracking and reporting in an eLearning, hybrid learning, or blended learning environment for elementary, secondary, or adult learners, or for special programs,
- impactful tools to enhance online course instruction or assessment,
- unique online learning programs, projects, and initiatives.

Through our partnership of organizations, we have constructed an exciting program that boasts an enormous variety of exciting workshops and presentations on effective eLearning pedagogy and the technical tools and resources that support quality programming. Each session is delivered by experienced and regarded practitioners in the field of eLearning from throughout the Province and representing all levels from classroom to Ministry. In addition, numerous facets of the conference have been strategically planned to encourage and facilitate the showcasing and sharing of best practices, as well as the expansion of personal networks.

To contribute to the success of the event and the experience of its attendees, the OeLC is currently reaching out to vendors to sponsor the conferences in either one or both of the following two manners:

OPTION 1: Social Event Sponsorship - a contribution of **\$1000** in total to subsidize the BOLTT Pre-conference Social events at **both** conferences (\$500 per conference). This event is highly attended and provides an optimal venue and opportunity for networking, informal learning, and the fostering of professional relationships. The social caps off an evening of Conference launching events.

OPTION 2: Draw Prize Sponsorship - a contribution of one or more draw prizes (minimum value of **\$200** per prize) to support conference engagement activities. Each activity encourages participants to maximize their personal level of engagement in all the conference has to offer, both within and outside of the events, presentations, and workshops.

As a sponsor, your company:

1. will have its logo and name displayed in all conference copy and digital media.
2. will be acknowledged via social media prior to and during the event.
3. will be permitted to display a banner at all Pre-Conference events, as well as next to the Main Conference Registration / Sign-in Tables for all attendees to see.
4. will have an opportunity to address attendees following an official thank you to Sponsors at the Pre-Conference Social event.

Most importantly, by sponsoring this popular event, your company will be furthering its commitment to actively supporting quality educational programming in the Province of Ontario... an act that can positively impact the schooling experience of the multitude of Ontario students who participate in online eLearning.

To become a sponsor and further demonstrate this commitment, we ask that you kindly complete and return the attached form. Please note that for monetary sponsorship, you will be invoiced by the OeLC's Banking Board, the Grand Erie District School Board.

We truly hope you will support us, Ontario's teachers, and Ontario's students by becoming involved as a sponsor. Should you require any additional information, please feel free to reach out at any time.

Thank you for your time and consideration and we hope to hear from you at your convenience.

Kind Regards,

Todd Pottle
