About BOLTT

BOLTT (Bringing Online Teams Together) is a biannual, fast-paced conference attended by professionals directly involved in the development, organization, administration, and delivery of tech-enabled and eLearning programming for students from Ontario and beyond. Both in-person and virtual delegate streams are available.

Specifically, BOLTT provides collaborative opportunities to learn, share, and network around best practice for:

- Elementary, Intermediate, Secondary, and Adult eTeachers, Hybrid Teachers, Blended Learning Teachers, and other tech-enabled educators;
- School and School Board Administrators, Technology/Instructional Consultants and Coaches

The conferences have been strategically planned to facilitate both the sharing of best practices, and the expansion of personal networks. They include an exciting and varied series of engaging presentations delivered by experienced educators representing all levels from classroom to Ministry. Workshops focus on effective pedagogy and technical tools and resources that support quality programming, including:

- innovative practices in course development, delivery, assessment, communication, and student tracking and reporting in an eLearning, remote, hybrid, or other tech-enabled learning environment for elementary, secondary, or adult learners, or for special programs,
- impactful tools to enhance online course instruction or assessment,
- unique online learning programs, projects, and initiatives.

Please join us as a sponsor of the BOLTT (Bringing Online Teams Together) Toronto Fall Conference on November 14 - 16, 2023.

Key Sponsorship benefits include:

1. **Significant opportunities to interact with conference delegates through Exhibitor hall displays, workshop presentations and/or dedicated Virtual Sponsor chat time (dependent upon sponsorship level)**
2. **Sponsor acknowledgment, including:**
 - **company name and logo displayed in conference copy and/or digital media**
 - **social media shoutouts prior to and during the event**
3. **one or more free delegate registrations to the conference (dependent upon sponsorship level)**
